

2018 DONORS

Thank you to our generous donors who contributed above annual dues to our membership drive. Your donations go a long way to supporting NHECA's neighborhood beautification, care and maintenance of the Ann Alison Hoover Park, fish pond, annual events, and special projects.

Additional thanks to the countless neighbors who provide in-kind donations throughout the year. Each of your contributions help to sustain the mission of your North Hills Estates Civic Association.

North Hills Estates (NHE) roughly covers the area defined by Perry Highway beginning at Rochester Road, continuing north to Schars Lane, Schars Lane to Sylvania Drive, Jefferson Drive - south to Rochester Road, and including Country Lane, Wellington Woods and Virginia Terrace.

The North Hills Estates Civic Association was formed by NHE neighbors interested in the enrichment of our unique community through beautification of public spaces and organization of social gatherings. Annual membership dues, donations, gifts-in-kind to the neighborhood, and volunteer hours make it possible for NHE to continue to be a beautiful and special neighborhood.

• THANK YOU VOLUNTEERS!

WHY JOIN YOUR NORTH HILLS ESTATES CIVIC ASSOCIATION?

In addition to getting to know your neighbors, NHECA keeps our neighborhood looking great and in turn enhancing property values for the entire North Hills Estates community.

Annual membership dues and donations cover costs for beautification projects as well as neighborhood activities like the...

Spring Easter Egg Hunt, Summer Block Party, Fall Halloween Parade, Winter Light Up Night.

Remember that throughout the year, email and Facebook are our primary means of communication with neighbors, please provide your email address and 'like us' on Facebook!

WE APPRECIATE ALL OF THE HOURS YOU'VE SHARED:

- Weeding, planting, mulching, watering and cleaning our park and common spaces
- Sanding, staining and repairing benches
- Maintaining neighborhood common spaces and islands
- Daily feeding and monitoring of our fish in pond
- Winter monitoring of pond de-icer operation
- Dropping off extra bags for dog walkers at the dog waste dispensers
- Picking up trash as you take your exercise walks
- Organizing and monitoring our Little Library
- Sharing your ladders, tools and other items needed to "get the job done"
- Labeling, stuffing, sealing, and stamping envelopes for our annual membership drive
- Processing membership forms, dues and donations submissions
- Managing our membership database
- Designing, writing, and/or proofreading signage, letters, forms and flyers
- Designing, creating and publishing our directory (arriving soon!)
- Taking photographs at each of our events, archiving and sharing for all to enjoy
- Offering your professional expertise as needs arise
- Managing our web site and social media
- Coordinating an event
- Decorating and hanging lights for holidays and special events
- Taking time to reset the GFI's when the holiday lights go off due to weather conditions and mechanical failure
- Filling treat bags, Easter eggs and taking on other fun and creative event-related tasks
- **SIMPLY BEING A GOOD NEIGHBOR!**

We also acknowledge and thank those who participated in the Halloween Parade food drive benefitting the North Hills Food Bank and the Light Up Night toy drive benefitting Highcliff Elementary's Highcliff Helper's Project. Both organizations serve families in need within our North Hills community.
